

Public Notice

Botswana Savings Bank wishes to inform the public and its valued clients that it is aware of a Facebook Post in **The Ghetto-Metro- Online** titled, "Citizens Cash Strapped as BOB Is Reportedly Sabotaging BSB".

Botswana Savings Bank would like to distance itself from this social media post by **The Ghetto-Metro- Online**. The bank has never engaged with a journalist from the said social media page nor divulged such information about the regulator, **Bank of Botswana**.

The bank wishes to point out that the claims published in this Facebook page are not accurate. It is worth noting that **Bank of Botswana** is not involved in any of the BSB loan process as the Facebook page claims.

Botswana Savings Bank has no reason to suspect or believe that **Bank of Botswana** could sabotage its operations in any way nor could the bank intentionally place its customers in compromising situations as the Facebook page claims.

We continue to closely engage with our clients regarding disbursement of their loans as this is a confidential matter between the bank and its clients.

Botswana Savings Bank hereby wishes to encourage its clients to engage their sales representative to enquire about any of its products throughout its 11 branches across the country.
